

A) Label the different parts of our body with the help of the help box:

eyes      ears      nose      mouth      feet      arms      fingers      leg

B) How many of each body part do you have? Count and write in the given space.

I have	<input type="text"/>		eyes
I have	<input type="text"/>		mouth
I have	<input type="text"/>		ears
I have	<input type="text"/>		fingers
I have	<input type="text"/>		legs
I have	<input type="text"/>		arms
I have	<input type="text"/>		toes

C) Compare your body with a puppy and fill in the blanks:

- I have \_\_\_\_\_ eyes and so does the puppy.
- I have \_\_\_\_\_ legs but the puppy has \_\_\_\_\_ legs.
- I have no \_\_\_\_\_ but the puppy has one.
